2018 Interdisciplinary Stroke Conference: Closing the Gap in Stroke Care

A Bi-State Stroke Consortium Conference

**Wednesday, October 24, 2018
8-11:45 a.m.**

**Via Christi Hospital St. Francis
Guadalupe Conference Room, 2nd floor
929 N. St. Francis, Wichita**

What is the Bi-State Stroke Education Consortium?

The Bi-State Stroke Education Consortium is composed of > 30 health organizations and the American Stroke Association. In an effort to improve patient outcomes through education, each institution agrees to host a 4 hour stroke focused educational segment for stroke care providers at all levels of practice each calendar year. Every Consortium presentation is open to staff from all member organizations at no charge.
