2026 Saint Luke's South Bi-State Stroke Symposium

Friday April 24th, 2026

Teams Webinar or an in-person option (must have signed up for the in-person option due to limited seats) at SLS in the Wellness Conference Room

12:00 pm – 4:00 pm

COURSE OBJECTIVES

Upon completion of this course, the participant will:

1. Self-report an increase in knowledge about atypical stroke presentation and increased confidence when assessing patients with atypical stroke symptoms.
2. Self-report an increase in knowledge in AI advancements in radiologic stroke detection.
3. Self-report an increase in knowledge related to advancements in stroke rehabilitation.
4. Self-report an increase in knowledge related to life post stroke as a stroke survivor.

LOCATION

WEBINAR OR IN PERSON AT SLS

Employees of Saint Luke's, BJC West Region and member hospitals of the Kansas City Stroke Education Consortium may attend the program at no charge.

Due to distractions to others, we ask that you keep your device on mute. Questions will be answered at the conclusion of each presentation. To obtain nursing contact hours, you must participate in the entire program, participate in audience polling and/or Q&A, and complete the evaluation.

CONTINUING EDUCATION

ACCREDITATION

Saint Luke's Health System is approved as a provider of nursing continuing professional development by VTL Center for Professional Development, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

4.0 contact hours

NO SHOW POLICY

To make the most of our educational resources and as a professional courtesy to your colleagues—please call and cancel your enrollment as soon as possible. We understand that emergencies, illnesses, and changes in work schedules occur. Call (816) 502-8563 as soon as you know you are unable to attend—but no later than the start of the class. (Employees of SLHS should “unenroll” in HealthStream)

SPEAKER DISCLOSURES

This educational activity does not include any content that relates to the products or services of an ineligible company/organization, which would require identification and mitigation.
