

FIRST TUESDAYS STROKE EDUCATION SERIES 2026

You are invited to log in and join us for our monthly Kansas Initiative for Stroke Survival (KISS) First Tuesday's Stroke Education Series. This is an unique opportunity to learn from **Dr. Sabreena Slavin**, Vascular Neurologist at The University of Kansas Health System. Each month, Dr. Slavin will give a 30-minute presentation regarding stroke and the care surrounding it.

Objectives:

At the conclusion of the program, participants will be able to:

- Recognize stroke symptoms
- Identify possible diagnostic and treatment options in stroke.
- Implement new evidence-based AHA/ASA guidelines

For Questions, please email Sarah Langston at scarter2@kumc.edu
